

EASTGATE

MEDIA RELEASE

10 AUGUST, 2017

EASTGATE SHOPPING CENTRE IS GIVING YOU MORE!

Enter into Wi-Fi Eastgate! We've brought free, uncapped Wi-Fi to our customers as our very latest service offering. This gives our visitors the best of both worlds: free Wi-Fi and an unparalleled shopping experience. With Eastgate Wi-Fi, visitors can enter into more - more browsing, being more social, and more shopping! It's now easier than ever to stay connected at Eastgate.

Eastgate welcomes you into a free hotspot playground. For the freelancers, ladies of leisure, the homemakers and business-meeting takers, Eastgate Shopping Centre has you covered. With endless choices of restaurants, fashion, homeware and now unlimited access to Wi-Fi, you can stay connected while living your best life.

Brian Unsted, Liberty Two Degrees' Asset Management Executive for Eastgate Shopping Centre, says: "Continuously improving our shopping experience is a core part of our strategy and the introduction of free, unlimited Wi-Fi is another way of bringing a great experience to Eastgate and its renowned local and global retailers".

Browse the web while you shop with our free Wi-Fi offering. At Eastgate, you have the freedom to connect to the internet via "Eastgate Free Wi-Fi". Take advantage of our Free Wi-Fi by simply accessing the internet from your phone, tablet, or laptop and follow the on-screen prompts.

Home is where the Wi-Fi hotspot is. Eastgate Shopping Centre welcomes you home.
