- a paid press announcement giving full details, including the number of shares issued, the average discount to the weighted average traded price of the shares over the 30 (thirty) business days prior to the date that the issue is agreed in writing and an explanation of the intended use of funds, will be published at the time of any issue representing, on a cumulative basis within 1 (one) financial year, 5% (five percent) or more of the number of shares in issue prior to the issue; and
- in determining the price at which an issue of shares may be made in terms of this authority, the maximum discount permitted will be 5% (five percent) of the weighted average traded price on the JSE of the shares, adjusted for any *cum* distribution portion, if applicable, over the 30 (thirty) business days prior to the date that the price of the issue is determined or agreed to by the Board and the party subscribing for the securities.

Such general authority will provide the directors with flexibility to affect a repurchase of the Company's shares, should it be in the interest of the Company to do so at any time while the general authority is in force.

## Material change

There have been no material changes in the financial or trading position of the Company and its subsidiaries since the date of signature of the audit report and the date of this notice of the Annual General Meeting.

## Directors' statement of intent

The directors intend, should the proposed authority be granted to them under this resolution, to use the such authority to continue, at appropriate times, to repurchase shares in the open market and thereby to more efficiently utilise cash or cash facilities.

The directors are of the opinion that it would be in the best interests of the Company to renew such general authority and thereby allow the Company or any subsidiary of the Company to be in a position to repurchase or purchase, as the case may be, the shares issued by the Company through the order book of the JSE, should the market conditions and the price justify such action.

## Directors' responsibility statement

The directors, whose names are given on pages 16 and 17 of the Integrated Annual Report, collectively and individually accept full responsibility for the accuracy of the information pertaining to special resolution number 3 and certify that to the best of their knowledge and belief there are no facts that have been omitted which would make any statement false or misleading, and that all reasonable enquiries to ascertain such facts have been made and that this resolution contains all such information.
